8. Health Coverage – Collecting Runners – Personal Belongings

8.1. Health Coverage

The race's health coverage is done with the valuable assistance of health organizations, volunteer doctors and Red Cross's Volunteer Samaritans and Rescuers (branch of Ioannina), throughout the race and along the route.

The organizers are not responsible for what might happen during the race on health issues due to lack of preventive medical check. It is recommended that participants have recently undergone medical examination.

The organization will not ask for medical certifications from any athlete since all participants compete under their own responsibility and minors under their guardians' responsibility.

8.2. Collecting Runners (30km race)

An organization's vehicle with volunteer Samaritans will follow the last runners, to collect those who wish to quit the race. Runners who do not need medical assistance but quit can wait to supply stations until an organization's vehicle takes them to the finish.

8.3. Personal Belongings

Participants can hand in-receive their personal belongings at the designated area, near the starting line. Athletes are requested not to carry valuables in their bags. The organization has no responsibility for any loss.

9. Kilometer indications

On every kilometer of the racing route of the 30 kilometers there will be an indication of the distance in kilometers.

10. Time limits for each race

11. Electronic Timing – Results

11.1. Electronic Timing

The electronic timing of all the events' races and the official results as well are carried out by an official timing company. All runners must bring along the timing chip that they receive with their BIB number from the Registration Center.

“Carpets” of electronic control and timing will be on the start/finish line and on various spots on the route as well, for recording the intermediate timings. If an athlete does not pass from the “carpet” of electronic control at the start, the control zones and the finish he/she is automatically cancelled.

11.2. Results

The unofficial results are announced online after the races' completion. Any objections can be submitted within 10 calendar days from the day that the results were posted on the organization's website.

The official results are announced within 15 working days from the day the races were conducted.

12. Registration Center – BIB Number Reception

There will be a relevant announcement about a month before the races.

*Participants should receive their participation package **only** from the Registration Center.*

13. Special Information

Throughout the event special prices apply for the runners and their escorts at hotels and restaurants.

The detailed programme of the Ioannina Lake Run week will be posted on the **official website**: www.ioanninalakerun.gr
